

I am a Digital Citizen!

I know how to use digital technology

I am on my best behaviour and use my manners when online

I am developing my thinking skills in cyberspace

I use digital technology for educational purposes only

I am learning the values of digital citizenship

I use digital technology to relate to others in positive, meaningful ways

I ask an adult if I have a problem or notice something unsafe or inappropriate online

I am learning to code

I keep my passwords and personal information safe in a digital world
