- NNH are looking to upgrade their facilities and our fees have gone up to reflect this

If players are needed for a game and 'borrowing' is required from the team below, managers and coaches will need to communicate with each other to make this happen.

# Games and training sessions

Year 4 and Year 5 Games:

- Players rotate positions every quarter. This follows a set pattern and we have to do this as part of NNH policy. It can be quite hard for first time players to get a handle on rotations. (Please help your child learn positions!)

Year 6 Games:

- Players don't have to rotate through positions

All games are 40 mins in duration with 4 x 10 min quarters.

Training:

- Teams will have one training session per week and it is expected that your child attends EVERY session unless unwell or away (please contact the coach to let them know the situation)
