# PONSONBY PRIMARY SCHOOL

## KNOW-A-THON 2021

Name \_\_\_\_\_ Room \_\_\_\_\_ Year \_\_\_\_\_

### Notes for the sponsor:

Hi there, thanks for being involved in supporting this fundraiser for our school. The 'Know-a-thon' requires the children to research and answer general knowledge questions about our world.

Each year group has a certain amount of questions to answer.

Benchmarks for year groups:

Year 1 and 2 children have 20 questions to research and learn - **a maximum of 20 correct answers.**

Year 3, recommended to learn 30 of the 80 questions, but may choose to research and learn more of the total given - **Maximum 30 - 80 correct answers.**

Year 4, recommended to learn 50 of the 80 questions, but may choose to research and learn more of the total given - **Maximum 50 - 80 correct answers.**

Year 5 and 6 children have all 80 questions to research and learn - **Maximum 80 correct answers.**

The children will be tested on Wednesday the 1st of December and will then return to you with their results to collect their sponsorship money. If we have returned to school by this point, the children will have a signed results card from their teacher. Many thanks for your involvement and support!

Contact us on 09-3763568 or email [fnaera@ponsprim.school.nz](mailto:fnaera@ponsprim.school.nz) if you have any questions about this fundraiser.

### Note for PPS Children:

You need to approach your family, family friends and neighbours (Please stay in your bubble and make sure to stay socially distanced when collecting sponsors) to get sponsorship for every question you get correct in our Know-a-thon. Show them this letter and ask them to sponsor you for the amount of questions that they think you will get correct and sign your sponsors card. This may need to be done digitally.

Then, visit your sponsors again after your 'test' to collect your sponsorship money. The money collected can be brought to the school office or deposited to the school bank account.

There will be prizes for the individuals and classes that raise the most money for the school but at the end of the day, the greatest prize you will earn is knowledge! Good Luck!

Sanjay Rama, Principal of Ponsonby Primary
