Dear Families/ Whanau of Ponsonby Primary,

What does your donation mean to our school and how do we use donations?

Your generous **tax deductible** donation is the only way our school can cover the gap between what we get and what we need to continue to offer for the excellence you value for your children's learning.

As you are aware there are many inequities in government funding. The reality is the school's 'Operating Grant'¹ of \$440,000 GST exclusive is insufficient to run our school and without parent support we cannot meet our outgoings for essential services.

Decile 10 schools like ours across Auckland have been forced into running deficit budgets, and that is unsustainable for education. Three major government reviews in 2003, 2009, 2016 found the decile system inequitable, then in 2019 decile 1 to 7 schools were given another funding boost with a \$150.00 per student donation being funded. In a like-size school that adds another \$63,000 to their budget. Targeted funding² adds a further \$350,074 to a decile 1 school of like-size to us.

The gap widens yet again.

This year we want to provide your child/ren with maximum educational opportunities. The annual donations made by you pay for our teacher aides, whose salaries were lifted in 2021. We employ 3 learning assistants (teacher aides) and we are funded for less than 1 learning assistant in our Operational Grant. The donations pay for part time teachers, ancillary staff and the learning resources that we know are vitally important.

The reality is we now get **\$400,000 minimum operational funding, less than a decile 1 school of the same size**. Our suggested parent donation raises \$193,000 and in 2022 this amount includes \$100 per child for all the extracurricular activity costs that parents used to pay during a term e.g. Life Education, Music workshops etc. The suggested donation does not include activities that are optional and sit outside the curriculum, e.g. Motutapu Camp (Yr. 6), Marae (Yr. 5), the Zoo trip (Yr. 3), Arataki Visitors Centre and Rangitoto (Yr 4), Parnell Baths (Yrs 1 & 2) or Goat Island (Yr 5 & 6).

When possible we run at least two major fundraisers with our PPSG each year and this year we are looking at installing a new playground in the Kakariki area and upgrading our interactive whiteboards in the classroom in order to continue to provide a positive and engaging school environment for your child/ren. **Our fundraising activities ideally sit outside what should be funded by parent donations but more and more of these funds are needed for core running costs.**

We give in advance, a heartfelt thanks to you, for supporting your school.

Kindest regards,

¹ The school's 'Operation Grant' includes all funding, except the teacher salaries of 20 teachers, including the Principal for this school. Our Grant this year is \$440,000.

² Targeted Funding for Educational Achievement (TFEA) is decile linked. Our school gets \$0. Decile 1 schools receive \$833.51 per child.

Ponsonby Primary 2022

All donations are tax deductible. Receipts get sent home with the children. We did not increase the costs in 2021, we have however added all and every curriculum activity cost in the suggested amount as per new government requirements that parents can only give donations. These do however exclude the optional outside curriculum costs of APPA choir, all outside of school sporting costs e.g. skiing and basketball, flippa ball and netball. EOTC/ school camps are also optional costs as is any uniform purchase.
