Te Kura o te Rimu Tahī

Message from the Principal

Kia ora e te whānau,

Since our last newsletter, PPS has been abuzz with activity, quality learning programmes, inquiring minds, sports tournaments, and student leaders driving well-being, cultural, environmental and sports school wide. Last week we started off by celebrating Matariki week and hosting our annual Matariki disco which was a huge hit with our Tamariki. A big thank you to Mrs Julia Nissen and Mr Arran Connor for organising such wonderful learning experiences for our students during the week. A big thank you to the Cultural Toa group alongside Mr Connor who organised our Hui and Fono evening for our Maori and Pasifika families. I was so proud of the way the group organised and prepared the evening. It was great to see so many families attend such a wonderful evening.

Yesterday we were very privileged to have the opportunity to have Sir John Kirwan and his team from Mitey come to school and talk to parents about what Mitey is and how it works in a school setting. Ponsonby Primary has started working with the Foundation to put Mitey in place. The focus around Mitey is to build strategies and learning experiences to help children deal with mental health, which is an important focus with so much disruption in children's' lives during this pandemic.

As the winter weather fast approaches, it is a timely reminder to ensure that your child is prepared for the wet and cold months ahead. It is important to send your child to school every day with a raincoat in their bags as well as an umbrella and a school jacket, jumper or hoodie. The Auckland weather is very changeable and the temperature fluctuates dramatically during the day, please be prepared!

Today you will have received your child's mid-year report. I'd like to take this opportunity to thank our teachers for the extra time and effort they put into writing these reports.

As we are fast approaching the end of the term I have noticed that the lost property in the hall is mounting, so parents when you get a chance could you please have a look through. The lost property will be removed at the end of the term and be donated to a clothing charity. Have a fantastic weekend.

Ngā mihi

In an ever-changing and fast-paced, technology-addicted world, it can be difficult to guesstimate what skills our children need in order to prepare them for an uncertain future.

However, there is a bedrock set of skills that have always been essential throughout history, and will continue to be for all generations to come. That is: the skills that give us the ability to communicate, to be creative, and to have a grounded sense of self-confidence.

In a nutshell this is exactly the family of skills that Head Held High speech and drama lessons are designed to develop.

At Head Held High we use hundreds of fun games and imaginative scenarios in our lessons, to teach conversation skills, confident body language, respect for ourselves and others, how to relate positively to peers and adults, public speaking skills, good manners, and harnessing creativity. All blended into a programme that all types of students love and have fun being a part of!

In addition to all of the above, Head Held high students also have the opportunity to gain globally recognised qualifications by sitting Trinity College of London or NZ Speech Board examinations.
