## Te Kura o te Rimu Tahī

Kia ora e te whānau,

This week is extra special as 14 September marks the 50th anniversary of the Māori Language Petition, an event that led to many of the kaupapa we have today, including Te Wiki o te Reo Māori. This was a group of tangata whenua who arrived at the steps of Parliament in Wellington. All ages gathered to demand the active recognition of te reo Māori, the country's native tongue.

Our Tamariki have been engaged in celebrating Māori language with some pretty amazing activities which we have been learning this week. There have been lunchtime games, songs, art making activities and many more fun learning experiences our Tamariki have been involved in this week. A big thank you to Miss Johnston, Miss Nissen and Mr Connor for all their hard work making this week such a wonderful experience.

I would like to thank all of my wonderful staff for the time and effort they all put into the school show and Whānau day last week. I was absent from school last week and I was gutted that I could not be at the school show. The feedback I have received is that it was truly an amazing production. A big thank you to Amy Moll and her team of Nicole Thomson-Baker and Kate Hamilton for writing the script and choreographing all the scenes. They are truly amazing! A big thank you to Susan and Francis for all their hard work while I was away. It really makes me feel so proud to lead a school with such an amazing staff who will go the extra mile.

Last week, the finals of the Auckland Primary School Speech competition were held. Representing our school were Tupu Southon (Rap), Nico Burton (Spoken word) and Aleph Reade-Shareef (Flash talk) representing our school. Both Tupu and Nico were winners of their categories, that is the first time in the history of our school that we have earned a placing. Aleph's flash talk was impressive and it was an extremely competitive field, Aleph did not attend as he was one of the lead roles in the school show but his speech was judged via a video recording. A fantastic achievement!

School Docs - Policies and Procedures

Each term, board members, staff, and whānau are asked to review and comment on specific school policies. This feedback is captured and synthesised to see if/when changes in policy could be made to reflect our context. This feedback is valuable and much appreciated. The review can be made any time up until the end of the current term.

## what's in it for the kids?

Head Held High holiday programmes are full of fun, learning and creativity for students aged Year 1 to Year 8. The programmes are taught by the same professional, enthusiastic and caring teachers who teach our speech and drama lessons across Auckland during the school terms, and they pack the day with speech and drama games and activities that kids love.

Designed by HHH founder – Kate Laurence – each day will be as FUN as possible for the children, whether they're having their first taste of speech and drama or are experienced campaigners with Head Held High.

It's really important to us that all students feel welcome and comfortable, regardless of their level of previous speech & drama experience or interest. Our teachers are experts at reading the individual requirements within a group, and the holiday programme games and activities will be delivered in ways that are engaging and challenging to all individuals' skill levels, simultaneously.
