

Ponsonby Primary School

Te Kura o te Rimu Tahī

Thank you to everyone who came out for our School Show on Wednesday evening, it was an amazing night. Well done to all of our children, you were all spectacular and you should all be so proud of yourselves.

A big thank you must go to Ms Moll, Mrs Hamilton and Mrs Thomson Baker for organising such a great show and thank you to the families that helped make costumes and create the set, we greatly appreciate all of your efforts.

Lost Property

Please check the lost property in the hall. Please also remember to name your child's clothing as it will be returned to them.

Whānau Day

Yesterday we welcomed our lovely Grandparents & Whānau to Ponsonby Primary for a special morning.

We had a recap of performances from the show, followed by our Whānau sharing morning tea together with the children.

Thank you to all of our wonderful parent helpers and everyone that donated food items for our morning tea.

Thank you

Thank you to all the local businesses that support our school.
Each week we will feature different business that support our school.

what's in it for the kids?

Head Held High holiday programmes are full of fun, learning and creativity for students aged Year 1 to Year 8. The programmes are taught by the same professional, enthusiastic and caring teachers who teach our speech and drama lessons across Auckland during the school terms, and they pack the day with speech and drama games and activities that kids love.

Designed by HHH founder – Kate Laurence – each day will be as FUN as possible for the children, whether they're having their first taste of speech and drama or are experienced campaigners with Head Held High.

It's really important to us that all students feel welcome and comfortable, regardless of their level of previous speech & drama experience or interest. Our teachers are experts at reading the individual requirements within a group, and the holiday programme games and activities will be delivered in ways that are engaging and challenging to all individuals' skill levels, simultaneously.
