Excellence

Our PPS goal: To create an environment where children have a sense of belonging. The opportunity to flourish where they can become 21st century learners through a curriculum that gives students the opportunity to develop skills. These skills include critical thinking, problem solving, and becoming collaborative learners. This is what we are starting to embed in our school.

Creativity	Wellbeing	Belonging
Curriculum -our children are 21st century learners	Mitey, knowing our children, The zones of regulation, school culture	School Values

# Absences and After School Pick up

Please phone the school office or fill out an absentee form online through the school website. If your pick up arrangements change please also phone the office. They will pass on the message to the teacher as we often might not see emails throughout the day. It is always good to have a plan with your child-where you will be standing or if you will be late.

## New parent app

We are pleased to announce the launch of our new app for mobile, which provides you with a direct connection to our school. The app gives you easy access to important information and updates related to our school and your child's progress.

You will be able to view school calendars, notify the school of your child's absence, get links to important documents, read newsletters, view your child's reports, receive notifications and alerts, and even access Kindo to make payments and request tax receipts.

Karla has a printed information guide on installing and setting up the app for your child or children. Please refer to it to make sure you are getting the most out of the app for your child. An email will also be sent out to you with your secure login and password when your child starts.

We hope you'll take a few minutes to download the new app when your child starts at Ponsonby Primary. If you have any questions or need help getting started, please don't hesitate to contact us.
